

Microbiology Accessories

Hach carries a number of accessories for microbiological testing, including UV lamps, syringes, tubes, handbooks, forceps, bunsen burners, test tube racks, sterile scoops, thermometers, handsoaps, germicidal cloth, microscope slides, and coolers. These accessories pair well with other Hach microbiological tools, instruments, and reagents.

Part Number	Product description	Quantity	GBP Price
2387400	Cover Slips, No. 1 Rectangular, for Microscope Slides	124	Contact Us
2584335	Funnel, micro	1	Contact Us
